

HIGHLY EVOLVED.

**XR-1100**

**HIGH PERFORMANCE VENTILATION SYSTEM**

Four outlets in the rear head area are positioned for maximum extraction of air - giving ultimate comfort and minimising noise.

**REVOLUTIONARY NEW SELF-ADJUSTING CW-1 VISOR SYSTEM.**

Shoei is pushing visor technology into the future with the wider, more panoramic CW-1 self-adjusting visor system. Ensuring a perfect fit, the system also keeps noise levels to a minimum.

**NEWLY DESIGNED LOWER AIR INTAKE**

An new enlarged air absorbing chin vent gives maximum airflow onto the visor.
